

AIChE Regional Chem-E-Car Competition 2018: Submit your Team's Intent to Compete

All Chem-E-Car teams must submit their **Intent to Compete** at the AIChE Regional Chem-E-Car Competitions, using this form:

<https://chenected.wufoo.com/forms/2018-regional-chemecar-intent-to-compete/>

The deadline will be the Friday 8 weeks prior to the particular Regional Competition. Every School who wants to compete is guaranteed one (1) spot in the Competition. Schools who want to send a 2<sup>nd</sup> car to the Regional Competition must indicate this in their intent to compete. Spots for 2<sup>nd</sup> cars will be given only if space allows. Each Regional Host will work with the Chem-E-Car Committee to determine how many cars they can safely handle at their Regional Competition, and AIChE will confirm with each school if they can send 1 or 2 cars to compete at the Regional. Note: ONLY one car from a given university is allowed at the national competition.
